*7% is an average final earnings per transaction can range from 1% to 10% per deal. 7% used here is an example. The final percentage we earn as a company may be less or greater than 7% on business loans or funding. ** On investment property loans or commercial real estate loans, max fee we can earn is 4%, 3% is just an example. This may be as low as 2%, never less than 1%.

**Incentives are not guaranteed and are subject to change at any time, in the sole discretion of the company.

Actual incentive amounts may vary from month to month and may be higher or lower than the amounts reflected in this table.

Plans can change at any time or discontinued. If this occurs you will be notified.
