*SBA maximum is 1% pay out, due to regulations and our internal policy.

On other programs you can earn up to 2% when the volume exceeds \$300,000 in any given month.

Plans can change at any time, you will be notified.

In Plan 2: we use 7% earning on the loan as an example. This can range from 3% to 10% on an MCA loan, business line of credit, equipment loan, SBA loan, or bank loan program. On commercial real estate finance we use 3% gross earning as an example, this can range from 2% to 5%.

Gross earnings may be lower or higher. This is an example.
